

<p >Even if you are, you know having good looks is actually not enough. Instead, you can be a sexy man.

Here's the deal:

A man can be attractive, but NOT sexy; be average looking, but super sexy (or charming).

It's a fact that women are less visual and more emotional, which is why they prefer a sexy man instead of a good-looking man.

Now, you must be thinking – “Okay Akshay sounds great. But, what makes a man sexy?”</p>

<p>Confidence is the ability to trust yourself to get something done. It comes from a well-developed sense of self and a grounded stability.

And yes, confident men are sexy and irresistible.

In one way or another, all of the tips contribute to improving your self-confidence.</p>
